

REMARKS

In the Office Action dated April 4, 2005, the Examiner issued a restriction/election requirement requiring Applicant to elect one of the following groups:

Species I Figures 4(a) and 4(b);

Species II Figures 6(a) and 6(b);

Species III Figures 7(a) and 7(b); and

Species IV Figure 8.

In response, Applicant provisionally elects to pursue prosecution of Species I, which includes claims 1-15, 17, 18 and 21-24. At least claim 1 is considered to be generic. This election is made with traverse.

Applicant respectfully submits that: (1) all groups of claims are properly presented in the same application; (2) undue diverse searching should not be required; and (3) all claims should be examined together. For the foregoing reasons, it is respectfully submitted that the restriction/election requirement should be withdrawn and an action on the merits of all the claims is respectfully solicited.

AUTHORIZATION

The Response is timely filed. Thus, no fee is due by filing of this paper. However, the Commissioner is authorized to charge any additional fees which may be required for timely consideration of this response, or credit any overpayment to Deposit Account No. 13-4500, Order No. 1232-5316.

Respectfully submitted,
MORGAN & FINNEGAN, LLP
